We offer professional development courses, workshops (on-campus and off-campus) throughout the GCC region.

We are also the Accreditation Bureau for ASIC UK to offer schools, institutes and universities with the international UK accreditation, thereby enhancing their profiles as education institutions.

We periodically run extensive and short courses, including seminars, workshops and annual symposiums every year in Saudi Arabia, UAE and Bahrain so far. Oman and Kuwait will soon follow the lead as well.

We are a team of specialized trainers with extensive experience and international expertise. Our events are CPD-UK accredited with international recognition for our professional development
